

NGPM Lesson Overview Chart: Equipartitioning, Weeks 1-3

Week 1: Sharing Collections

Children are introduced to equipartitioning. Activities focus primarily on sharing collections of objects, such as play food items and small toys, equally. Digital games also begin to introduce dividing and sharing whole objects equally.

	Lesson 1 Children share collections of food items and toys equally and play the digital Breakfast Time game.	Lesson 2 Children continue sharing food items equally and read equal sharing books, including The Doorbell Rang.	Lesson 3 Children share dot sticker “cookies” and other items equally and play the digital Park Play game.	Lesson 4 Children sing an equal sharing song, share blocks fairly, and make a hopscotch game by dividing a chalk circle into equal slices.

Week 2: Sharing Collections & Some Wholes

Children continue to share collections of objects equally. They work more on sharing whole objects equally through digital and hands-on activities.

	Lesson 5 Children read Bean Thirteen and play the digital Photo Friends game.	Lesson 6 Children share play dough lasagnas and digital breakfast foods equally and continue to divide up blocks and other toys in digital activities.	Lesson 7 Children cut and share paper sandwiches equally, and they divide up ice cubes in the digital Lemonade Stand game and the hands-on Drink Up Card Game.

Week 3: Sharing Wholes

Children focus primarily on sharing whole objects, such as food items, in new activities. Children also revisit activities from previous weeks to continue strengthening skills in sharing collections of objects equally.

	Lesson 8 Children read Rabbit and Hare Divide an Apple, share more pretend lasagnas and ice cubes, and advance through the digital games.	Lesson 9 Children put a pizza puzzle together from equal slices and make a new Hopscotch Circle with equal slices.	Lesson 10 Children cut a pan of play dough lasagna into same-sized portions and share snack foods fairly.
