

Little Shadow, Dance with Me: Lyrics

Instructions: Sing to the tune of “Skip to my Lou.”

Little shadow, dance with me

Little shadow, dance with me

Little shadow, dance with me

Do just what I do.

Wave your arms, just like me

Wave your arms, just like me

Wave your arms, just like me

Do just what I do.

Other verses:

Stamp your feet, just like me...

Shake and wiggle, just like me....

Little shadow, dance with me...
