The diagram shows a rectangular block on an inclined plane (ramp). Two arrows originate from the block: one points up the ramp towards the top-left, and the other points down the ramp towards the bottom-right. The ramp is supported by a vertical rectangular block on the left. The entire scene is enclosed in a dashed-line border, with a scissors icon at the top-left corner of the border. The grid contains 10 such identical diagrams arranged in two columns and five rows.
